Polarizing politics makes it harder – not easier – to get things done. I'm Rita Albrecht, running for State Senate. I will be a leader for northern Minnesotans, not for special interest groups who spend big bucks funding ugly campaigns. I just want to focus on what matters, school funding small business health care and good jobs. I think that is what you want, too.

In northern Minnesota, we work hard and expect our legislators to work hard for us. I'm Rita Albrecht, running for State Senate. Petty partisanship and gridlock just slow us down.
